

The Garden City Friends of STEM (GCFS) is a 501(c)3 non-profit organization established in 2015 to promote and support robotics and STEM (Science, Technology, Engineering, Math) education, programs and activities for the students in the Garden City School District and Garden City community.

Funds raised will be used to supplement STEM programs in our schools, support Garden City robotics teams (robots and robot related equipment, team uniforms, competition entry fees and transportation), establish a STEM scholarship program in the high school, and promote STEM programs in the Garden City area.

Funds will be raised through numerous sources, including membership, private donations, corporate contributions, grants and public support. Contributions are tax deductible to the full extent of the law.
