SEPTA - Special Education Parent Teacher Association

Our mission is to ensure a quality education for all students. SEPTA collaborates with parents, administration, and teachers to advocate for each *and every* student. Everyone benefits when we work together!

What we do...

- Support a variety of services that address unique learning abilities (including; special education classes, resource rooms, consultants, speech and language therapy, occupational therapy, physical therapy, counseling, Quest programs, etc.)
- Advocate for inclusion of students receiving special education
- Improve communication between parents, school personnel and administrators
- Educate the community on the benefits of including children of ALL abilities in the exceptional social, athletic and cultural events that take place in Garden City
- Host a variety of speakers to address common parental concerns (i.e. Assistive Technology, Auditory Processing, Anxiety, Homework, etc.)

We would like to encourage ALL parents to join GC SEPTA, not just those who have children who receive services. GC SEPTA provides programs that not only support special education students but ALL the students in our district. To date, our GC SEPTA Grant program has provided close to \$75,000 in programming and equipment benefiting each and every student. When you think of SEPTA, think the “Support Everyone” PTA.
